

#### Round 1: Policy

Flight A: The United States Federal Government should significantly increase investment in private space flight.

Flight B: The United States Federal Government should significantly increase investment in deep-sea mining.

#### Round 2: Fact

Flight A: #NeverAgain will bring about real change on gun control.

Flight B: The NRA's loss of corporate support signals a serious reduction of their influence.

#### Round 3: Value

Flight A: Solving income inequality should be prioritized over solving climate change.

Flight B: When in conflict, jobs should be valued over green technology.

#### Round 4: Policy

Flight A: The United States Federal Government should implement a universal basic income.

Flight B: The United States Federal Government should raise the federal minimum wage to \$15 per hour.

#### Elim 1: Fact

China's removal of presidential term limits is a step towards tyranny.

#### Elim 2: Value

Widely accepted social standards are an acceptable limit to freedom of speech.
